

*Faces of the
Port Angeles Symphony*

Dear Friends:

Since 1932 it has been volunteers and loyal financial contributors, like you, that have provided the North Olympic Peninsula with quality live orchestral music. Thank you for being a part of our rich history and for giving the gift of music to so many!

Our dedicated musicians, traveling from Forks to Port Ludlow, rehearse every week from September to May to bring music to our communities. A 20-member governing board of directors meets regularly throughout the year to oversee the business and financial needs of such a large enterprise. Volunteers contribute many hours of labor to sell tickets, raise funds, and support the productions.

The orchestra's annual operating expenses exceed \$200,000. Our affordable ticket prices cover less than half of that amount. Your continued generous financial support plays a vital role in keeping the Port Angeles Symphony financially healthy.

If you haven't made a contribution to the orchestra lately, please consider one now. Thank you!
